#### 2nd BABN Contract (1873-1878)

	13,296 lithographed - <i>J. L. Vincent</i>
Toronto Division -	25,000 recess printed - <i>J. Morrow</i>

Chris Ryan, “Canadian Revenue Newsletter”, No. 40, December 2002.

“Passage of the 1880 Statute affected the ‘large’ tobacco stamps in two significant ways. The first effect was the *deletion of the reference on the stamps* to the previous Statute XXXI VICT. - CAP. VIII. On July 1st 1880, BABN was instructed by the Revenue Department to remove all references to the old Statute from the existing plates.”

Chris Ryan reports that *Wm. Patton* was the Collector at Hamilton from July 1st 1871 until June 13th 1879. He was succeeded by *C.G. Fortier* who was named Collector on July 1st 1879. It would seem that he must have *pre-signed* the above stamp as *C.G. Fortier / Actg* prior to July 1st 1879, when he was appointed as Primary Collector, since it is dated August 1879 - or that the post was not fully his until a later date.
